This list supersedes the list issued in July 2017. The four Inn libraries are open to any barrister.

Law reports and periodicals

The list covers all law reports and periodicals (including the daily newspapers) *currently received* by one or more of the four libraries in *print format*. Older reports and periodicals that are no longer taken or that have ceased publication are not included. Digests and indexes of cases otherwise reported are not included, nor are monographic series and legislation.

The list is arranged alphabetically by title. Where there has been a change of title, entry is by latest title. Holdings are complete where the Library abbreviation stands alone.

Further bibliographical details of items in this list and holdings of materials outside the scope of this list may be found on the four Inns' catalogues, which are available at www.graysinn.org.uk/library/catalogue, www.innertemplelibrary.org/external.html, www.lincolnsinn.org.uk/index.php/library/about-the-library/catalogue and www.middletemple.org.uk/library-and-archive/library/catalogue.

Online databases

The separate list on the back page covers the main subscription databases available at one or more of the libraries. The databases include numerous individual serial titles in full text, many of which are not held in print format. Ask the staff for more detailed information on the coverage of individual databases. You can also find out whether a particular report or journal is available online by searching the four Inns' catalogues.

Note that the databases are only available in the libraries - our license agreements do not permit remote access from chambers or elsewhere.

Material not held at any of the libraries

The staff are always willing to advise on obtaining material elsewhere.
