Full Name(s) in Capitals.....

If you pay UK income tax and/or capital gains tax, at least equal to the amount of your donation, the charity can enhance your donation by claiming Gift Aid in the tax year in which the donation was received (currently that means up to 28% extra for every pound you donate). You may also be able to offset the donation against your UK tax liability by declaring your donation on your tax return in the year in which the donation is made. To be eligible for Gift Aid, the home address must be given.

I am an eligible UK taxpayer and I would like this and all future donations I make to the charity to be donations under Gift Aid until I notify you otherwise.
