

The Honourable Society of
Lincoln's Inn

'Return to Normal'

As we return to 'normal', we want to reassure you that the safety and well-being of our members, clients and staff remains our highest priority.

With this in mind, we will maintain the following safeguards:

- Hand sanitisation stations will be available for your use.
- Our rigorous cleaning schedule will continue.
- Although you and your guests will not be required to wear face coverings, unless you wish to do so, our staff will continue to wear face coverings in front of house areas as an extra layer of protection.
- NHS Track & Trace check ins will be available on request for guests that wish to check in.

We do ask that if you have tested positive or someone you have been in close contact with has tested positive for Coronavirus, you delay your visit to the Inn.

We recognise at this time everyone will be moving at different paces so we would appreciate it if you could help us by being as considerate as possible to other guests and our staff over the coming months.

We look forward to seeing you at the Inn soon.
