### EXCITING OPPORTUNITY TO JOIN AN EXPANDING AND DYNAMIC REGIONAL SET

As a small regional set with an expanding workload we are seeking applications for tenancy from established civil & family practitioners with particular expertise in public law children and finance.

This is a fantastic opportunity to develop a local practice in a beautiful part of the country with an eye on that elusive work life balance.

We have a competitive charging structure combined with an ambitious clerking team.

We welcome applications for probationary tenants.

Applications in strictest confidence to Tracey Hennessey (Head of Chambers) by email to [traceyhennessey@no18chambers.com](mailto:traceyhennessey@no18chambers.com) in the first instance or Mark Windebank (Senior Clerk) [markwindebank@no18chambers.com](mailto:markwindebank@no18chambers.com).
