

## Wedding Services in Lincoln's Inn Chapel

The Chapel is licensed for weddings using forms of service authorised by the Church of England and conducted by clergy from the Church of England. As a chapel, rather than a parish church, a special licence is usually required for those wishing to be married there. Members of Lincoln's Inn (and some others with a direct family or residential connection to the Inn and its Chapel), with the Preacher's guidance, may apply for this special license. All weddings are subject to the discretion of the Treasurer and Preacher.

We can accommodate small or large weddings and our professional choir and organist are available to provide music of the highest standard.

### The Service

All details of the service should be arranged with the Preacher, The Venerable Sheila Watson. She may be contacted via email at [Preacher@lincolnsinn.org.uk](mailto:Preacher@lincolnsinn.org.uk).

The choice of hymns and music should be made in consultation with the Preacher and the Director of Music, both of whom will be pleased to make suggestions as well as to work with your ideas.

The Director of Music is Mr Nicholas Shaw, who should be consulted in the first instance regarding all musical requirements for the service. He may be contacted by phone on 07957 597160 or via email at [nick.shaw@lincolnsinn.org.uk](mailto:nick.shaw@lincolnsinn.org.uk).

### Permission from the Treasurer

If you would like to go ahead, after you have spoken with the Preacher, you will be guided on when to write a letter to the Treasurer of Lincoln's Inn – in 2026, this is Mrs Elspeth Talbot Rice KC. Please address your letter as follows:

The Treasurer  
c/o The Treasury Office  
Lincoln's Inn  
London WC2A 3TL

or via an email attachment to the Executive Assistant to the Under Treasurer, Liz Carter, at [Liz.Carter@lincolnsinn.org.uk](mailto:Liz.Carter@lincolnsinn.org.uk) – formally requesting permission to allow you to marry in the Chapel, and giving the name of your fiancé(e) and the

date agreed with the Preacher. This permission is usually granted and we will confirm this to you in writing as soon as possible.

## **Special Licence**

An Archbishop's Licence (Special Licence) is required for most weddings in the Chapel. The application for this should be made as soon as the date has been decided and after you and the Preacher agree details.

Applications can now be made online. Information is available from their website: <http://www.facultyoffice.org.uk/special-licences/application-process-and-request-a-form/>

The Registrar's office details are as follows:

The Registrar  
Archbishop of Canterbury's Faculty Office  
1 The Sanctuary  
LONDON SW1P 3JT

Telephone: 020 7222 5381 (Extension: 7262)

## **Details for the Inn's Register and the Legal Marriage Document**

Please return the form attached (p. 6) to the Chapel Clerk in good time, and at the very latest, one month before the wedding.

## **Capacity**

The capacity of the Chapel is 230 people.

## **Flowers**

Those who wish to have flowers in the Chapel for their weddings are asked to make their own arrangements with florists. The Chapel Clerk should be notified of any requirements for florists to have access to the Chapel.

**Confetti must not be thrown on the Inn's estate – this includes the Chapel, the Undercroft and any of the Inn's open spaces.** No real candles or sparklers may be used in Chapel.

## Charges

The Treasury Office will pay all charges and fees, and invoice either the bride or bridegroom after the wedding.

*No charge is made for the use of the Chapel.*

Fees for the Preacher and the musicians in 2026 are as follows:

	£
Preacher	346
Director of Music	352
Associate Organist	256
Choir (usually of 9)	139 each
Organist without the choir	352

The use of the choir is optional; however, the Inn's organist fee is chargeable even if another organist is engaged.

## Recordings

Recordings, sound and video are permitted, subject to consultation with the Preacher. However, additional professional fees are payable to the Inn's musicians to cover the copyright of their performances. These additional fees are set nationally in agreement with the Musicians' Union and the Incorporated Society of Musicians.

If the service is to contain any music that is still within copyright (usually defined as being within seventy years of the death of the composer), an additional licence will need to be obtained from <http://www.videolicence.co.uk>.

The Director of Music is always happy to give advice if a couple are unsure whether they will need a video licence. If you do wish to have your service recorded, please let the Preacher know in advance. Due to the difficulties of

enforcing the strict regulations regarding copyright, permission to record parts of the service, such as the vows, would only be given in exceptional circumstances.

## **Photography**

Please do allow time for photographs as you arrive and prepare to enter the Chapel.

Weddings need to start on time to respect the commitments of staff on duty and professional musicians who often have other engagements to follow.

During the service, the Inn permits photographs as the bride enters; at the signing of the Register; and as the bride and groom leave. There are agreed positions from which photographers can obtain good photos.

If a video camera is being used, there are two fixed positions for these one in the Chapel and one in the organ loft. The latter is dependent on the musician's permission.

## **Receptions**

Both the Old Hall and Great Hall are available for wedding receptions: dates available and information about this may be obtained from the Events Team.

Please contact the Events Team by phone on 020 7405 1393 or via email at [events@lincolnsinn.org.uk](mailto:events@lincolnsinn.org.uk) for more information.

## **Parking**

There is no charge for parking at weekends, but there are limited parking spaces available. If you require a parking space(s), please contact the Chapel Clerk who will make sure that arrangements are made for this.
