Introductory

1. There shall be a committee of Lincoln's Inn known as the Bar Representation Committee ("the Committee") and these are the rules of the Committee ("the Rules").
2. The Rules may be altered or replaced by a two-thirds majority of Members of Hall present and voting at any General Meeting convened for that purpose.

Functions

3. The functions of the Committee are:
 - a. To provide representation on behalf of those who have been called to the Bar by the Inn and who have not been elected Members of the Bench (i.e. "Members of Hall") in relation to:
 - i. the Bench Committees of the Inn, and
 - ii. assisting the Treasurer, the Members of the Bench, and the staff of the Inn in the running of the Inn's affairs.
 - b. To disseminate information on the running of the Inn to the Members of Hall.
 - c. To bring to the notice of the Bench Committees, working parties and staff of the Inn any matters of complaint or suggestions, from either the Members of Hall or from the Committee, as well as any relevant facts, opinions or characteristics relating to Members of Hall that the Bench Committees, the Council of Benchers, the Treasurer or staff of the Inn should be aware of.
 - d. To recommend to the Treasurer and the Members of the Bench suitable Members of Hall to take part on such other committees and working parties as are thought appropriate, whether within the Inn or on behalf of the Inn on other professional or advisory bodies.
 - e. Generally to collaborate with the Treasurer, the Members of the Bench and staff of the Inn in securing a happy and contented atmosphere throughout the Inn.

The Committee

4. The Committee shall comprise: Elected or Replacement members (up to 26), Co-opted members (up to 10), Junior Circuit Representative Members (up to 6) and a Chair (up to 1).

The Memberships

5. *Elected Members*

- a. Posts: At any one time there shall never be more than 26 Elected Members of the Committee.
- b. Term: An Elected Member's full term of office is 4 years, from the 1st January immediately following their most recent election through to the 31st December 4 years after that.
- c. Standing: The elected membership of the Committee consists of five subdivisions. Any Member of Hall may stand for election (or re-election) to any of the subdivisions that they qualify for on the date that they submit their nomination for election to the Committee, save that members can only stand for election to one subdivision per election. If a member qualifies for more than one subdivision then the individual must indicate which subdivision they are standing for in their nomination form. The subdivisions are:

- i. Members of Hall of 7 years call and under with a current practising certificate in England and Wales,
 - ii. Members of Hall of over 7 years call practising at the employed Bar with a current practising certificate in England and Wales,
 - iii. Members of Hall of over 7 years call practising at the self-employed Bar with a current practising certificate in England and Wales,
 - iv. Members of Hall with a current salaried judicial appointment in England and Wales, and
 - v. Members of Hall with no practising certificate in England and Wales
- d. Schedule: In the autumn of each year a cohort of either six or seven vacancies will fall due for election to the Committee for terms starting on 1st January in the following calendar year. Every year, the cohort will be made up of one post for each of the subdivisions set out in Rule 5(c)(i), 5(c)(ii) and 5(c)(v) and three posts for subdivision 5(c)(iii). Every other year, a further vacancy in the subdivision set out at Rule 5(c)(iv) will be added to the cohort. Each election will therefore consist of either four or five separate subdivision elections.

6. *Co-opted Members*

- a. Posts: At any one time there shall never be more than 9 Co-opted Members of the Committee.
- b. Term: A Co-opted Member's full term of office runs from the date of the Committee resolution making the appointment through to 31 December of the second year following that (though the Committee may provide for such terms to start later than the resolution concerned and/or finish earlier).
- c. Standing: Any Member of Hall may be appointed by the Committee to serve as a Co-opted member. In considering Members of Hall to appoint to the Committee, it shall have regard to the desirability of having a Committee membership that reflects to a reasonable extent the diversity of identities and interests of Members of Hall.
- d. Schedule: The Committee may from time to time appoint Co-opted Members as it sees fit in line with the rules and having regard to the desirability of vacancies at the start of each calendar year.

7. *Junior Circuit Representatives Membership*

- a. Posts: At any one time, there shall never be more than 6 Junior Circuit Representative Members of the Committee in total. Additionally those 6 posts are further subdivided with each Circuit being allotted a single non-transferable post each (i.e. (1) Midlands, (2) North Eastern, (3) Northern, (4) South Eastern, (5) South Western and (6) Wales and Chester Circuits). Junior Circuit Representatives who are not otherwise Elected or Replacement Members of the Committee, shall be Members of the Committee by virtue of them holding the role of Junior Circuit Representative.
- b. Term:
 - i. Upon appointment as a Junior Circuit Representative for a particular Circuit by the Treasurer such persons shall automatically be appointed as the Junior Circuit Representative Member of the Committee for the relevant Circuit, and will remain so for as long as they continue to hold the substantive role of Junior Circuit Representative for the Inn.
 - ii. A Junior Circuit Representative Member of the Committee shall be permitted to hold concurrent membership of the Committee as an Elected, Co-opted or Replacement Member or as Chair of the Committee.

- iii. Membership of the Committee as a Junior Circuit Representative Member shall cease upon termination of the appointment as Junior Circuit Representative of the Inn. Any such person that otherwise remains an Elected, Co-opted or Replacement Member or Chair of the Committee shall continue in the latter membership until such term of membership or appointment expires.

8. Chair Membership

- a. Posts: At any one time there shall never be more than 1 Chair of the Committee.
- b. Term: A Chair's term of office is 2 years, from the 1st August immediately following election through to the 31st July 2 years later.
- c. Standing: Any Member of the Committee may stand for election (or re-election) as Chair of the Committee provided that at both the date of close of nominations and at the date when voting closes they are a member of the Committee.
- d. Schedule: In the summer of every other year, an election for the post of Chair of the Committee shall be held.
- e. The Chair membership may be held concurrently with any other membership, and individuals remain members of the Committee as long as they have at least one unexpired membership term (be this the Chair membership or any other kind).
- f. In the event of the Chair resigning or ceasing to be a member of the Committee for whatever reason during their term of office, the Committee shall appoint an Acting-Chair from amongst its number to serve until such time as an election can be held either for a new chair on the standard cycle or, if the vacancy arises more than six months before the end of the current Chair's term of office, for a replacement chair to complete the term.

9. Replacement Members

- a. Posts: A Replacement Membership only arises if:
- an Elected Member ceases to be a member of the Committee prior to the expiry of their full term, creating a vacancy, and
 - the Committee resolves to appoint an individual Replacement Member for that vacancy, and
 - If the replacement member was appointed the total number of Replacement and Elected Members would not exceed 26.
- b. Term:
- The full term of a replacement member is the period between the date of the Committee resolution making the appointment and the expiry date of the full term of the Elected Member they replace.
 - Where a Replacement Member during their term becomes an Elected Member, the former membership terminates upon commencement of the latter membership.
- c. Standing: Any Member of Hall may be appointed by the Committee to serve as a Replacement member as long as on the date of the appointment the individual meets the standing requirements of the Elected Member subdivision that relates to the vacancy the relevant Replacement Membership is intended to fill.

Disqualification and Termination of Membership

10. Members of the Committee are disqualified and cease to be Members on:

- their election as a Member of the Bench; or
 - their death, disbarment or suspension from practice; or
 - their failure to participate in three meetings of the Committee within a 12-month period without reasonable excuse.
- i. It shall be for the Member to satisfy the Chair in the first instance that their excuse is reasonable but the Chair's decision may, at the request of the member concerned,

be reviewed by the Committee (which shall decide by a simple majority vote).
ii. In this event, the disqualification shall take effect at the conclusion of the next meeting following the third meeting at which the member has failed to participate without reasonable excuse.

11. An individual is prohibited from standing for election, or from being either appointed or elected to any membership of the Committee if:

- a. they would be disqualified from Membership under Rule 10 (a) or (b) above, or
- b. they do not meet the standing requirements of the relevant membership (or in the case of the standing requirements of the subdivisions of Elected Members, did not meet those standing requirements on the day nominations opened).

12. Any membership of the Committee (including that of the Chair) may be terminated on a 'qualifying vote' of the Committee.

- a. A qualifying vote requires every member of the Committee to be polled.
- b. The quorum for a qualifying vote is 75% of the Committee.
- c. A qualifying vote requires the approval of at least 75% of those who cast a vote, with the percentage determined solely by the ratio of positive to negative votes (excluding all abstentions or spoiled votes).

Business

13. The Committee shall meet and conduct its business in such manner as the Chair may from time to time direct. This shall include the power to create, supervise and terminate sub-committees of the Committee.

14. When the Chair is temporarily unavailable or indisposed, any power or duty of the Chair shall be executed by the Vice Chair(s). Where the Vice Chair(s) is or are also unavailable, these powers and duties are to be vested in the most senior member of the Committee (determined by Call) who is available and not indisposed.

15. The quorum for meetings of the Committee and for General meetings of Hall (and votes therein) shall be 8.

16. Voting Rules

a. References herein to votes, and to any majority thereof, shall exclude those who do not vote or who abstain, but no decision shall be effective unless the number of those voting equals or is greater than the quorum.

b. Where a vote of the Committee is tied the Chair may cast an extra deciding vote.

17. There are two types of meeting: Committee meetings and General meetings of Hall.

a. Committee meetings shall be open to all Members of Hall to observe, save that the Chair or the Committee may in their discretion decide that part or all of any meeting shall be 'closed'. Even where a meeting is 'open', those who are not members of the Committee shall have no right to participate in or address the meeting, but may be permitted to do so at the discretion of the Chair (or where they are not available, such other member of the Committee as the Committee shall nominate for the purpose of chairing that meeting).

b. General meetings of Hall shall be open to all Members of Hall.

i. Once every calendar year the Chair shall arrange for the Annual General Meeting of Hall, and such meetings may never be more than 15 months apart.

ii. The Chair or the Committee may convene an Extraordinary General Meeting of Hall as necessary but must convene an Extraordinary General Meeting of Hall within a reasonable period following the written request to the Chair or the Committee of at least 30 Members of Hall. The request must set out the purpose for and agenda of the meeting.

- iii. Reasonable notice of both the date and agenda of all general meetings shall be given by such method as the Chair or the Committee may from time to time direct.
- iv. The Chair (or where they are not available, such other member of the Committee as the Committee shall nominate for the purpose of chairing that meeting) shall act as chairperson of any General Meeting, and at Annual General Meetings the chairperson must give a report of the work of the Committee during the preceding year.

Additional powers of the Chair

18. The Chair may propose for appointment up to two members of the Committee to the post of Vice Chair, who will take office if approved by a simple majority vote of the Committee members electronically. The term of a Vice Chair shall be determined by the Chair but shall not in any event extend beyond the end of the Chair's own term of office (whether this is a full or part term).

19. The Chair may, from time to time, recommend to the Treasurer, Chair of any Bench Committee or the Council of Benchers members of the Committee to sit on Bench Committees for such period as the Chair thinks fit or until the Chair, Treasurer or Chair of the relevant Bench Committee directs otherwise. Members of the Committee appointed to Bench Committees following recommendation by the Chair shall commence their membership of those Bench Committees at the next meeting following their appointment, unless otherwise instructed by the Chair, Treasurer or Chair of the relevant Bench Committee.

Elections

20. Both the Chair Membership and Elected Memberships shall be filled by election by means of secret ballot using the Single Transferable Vote method.

21. All Members of Hall are entitled to vote in elections for Elected Members.

22. Those who are members of the Committee on the date when their ballots are cast are entitled to vote in elections for Chair of the Committee.

23. The elections shall be conducted at such time and in such manner as the Chair shall from time to time decide, save that;

- a. the results shall be declared in the same year as the election was held,
- b. in the case of Elected Memberships, the term of the candidate(s) elected shall not commence until 1 January of the next year, and in the case of the Chair Membership, the term of the candidate shall not commence until 1 August immediately following the election,
- c. the Committee shall agree, publish, and review as necessary rules for the conduct of elections,
- d. the voting procedures, rules, and counting method will be identified in the notice that opens nominations for candidates.

24. In the event that two or more candidates poll the same number of votes and the number of vacancies for those candidates to fill is less than the number of candidates polling the equality of votes, lots or an equally random equivalent shall be drawn in order to determine the winner(s).

25. These rules shall be reviewed by the Committee prior to the AGM in 2027.
