# Introduction

This guide covers selected legal materials held by Lincoln's Inn Library for Singapore. The guide includes legislation, case law and commentary, as well as online sources. Lincoln's Inn Library holds many historic sources for Singapore which are not covered in this guide.

For a comprehensive list of the materials held by Lincoln's Inn Library, search the online catalogue available at: [www.lincolnsinnlibrary.org.uk](http://www.lincolnsinnlibrary.org.uk)

Until 1867 Singapore was a colony under various forms of Indian administration. It was part of the Straits Settlements colony (1867-1946), then became a separate colony (1946-1963), joined Malaysia on its creation as a new federation on 16 September 1963, but then left Malaysia becoming independent on 9 August 1965. The Library also holds collections for the Straits Settlements and Malaysia. A separate resource guide exists for Malaysia.
